

Heathcote ON SHOW

King's Birthday Weekend June 8-10th 2024

Shuttle Bus

Book your Heathcote on Show shuttle bus tickets

Our hop-on hop-off shuttle bus is back again! Take the hassle out of your Heathcote on Show planning and let everyone join in the fun by securing your tickets today.

How does the Heathcote on Show shuttle bus work?

- There are four intersecting bus routes that stop at 12 venues across the region
- For \$45 per day you can choose where you stop and how long you stay at each stop.
- An Express service from Bendigo will link with the Shuttle bus service (separate charge of \$30).

We've designed the service to allow you a true tasting experience at each stop and with 12 wineries, breweries and distilleries to choose from, you're spoilt for choice!

Select a few to discover each day and sit back, enjoying the countryside as we tour the Heathcote region.

As proof of payment - wristbands should be collected from the Visitor Information Centre in Heathcote prior to travel.

The finer points:

- There is no reserved seating, it's first come first served at each stop, if the bus is full you will need to wait for the next.
- Take your time at each stop and be aware that drivers have the right to refuse service to intoxicated people.
- The shuttle bus is not designed for you to be able to visit all venues. The design of the service will allow you to comfortably visit 3-4 venues per day.
- As part of your ticket price you will receive a reusable 6 bottle carry bag to use throughout the day. For larger volumes please discuss shipment options with the wineries.
- Buses will be required to adhere to the timetabled departure times and will not wait.
- No open alcohol is allowed on the buses.
